B. Sc. in Atmospheric (2004) Dept. of , Atmospheric sciences College of Science, Al-Mustansiriyah Univ. Baghdad, IRAQ

EXPERIENCE

- More than 15 years experience in teaching atmospheric Sciences and physics courses

PARTICIPATION IN SCIENTIC CONFERENCES

- The 6th Scientific Conference of the College of Science, Al-Mustansiriyah University, Baghdad, Iraq, 2010.
- The 7th Scientific Conference of the College of Science, Al-Mustansiriyah University, Baghdad, Iraq, 2011.

TEACHING EXPERIENCE

- Atmospheric remote Sensing
- Solar Radiation

- Astronomy
- Renewable Energy

COMPUTER EXPERIENCE

- Computer Languages (Quick Basic, Fortran).
- Operating System (MS DOS and Microsoft Windows)
- Software Maintenance.
- Microsoft Office.
- Many Scientific Packages.
- Internet
- IC3

Research Interests

- Remote Sensing of the Atmosphere.
- Solar Radiation
- Wind Energy
- Renewable Energy
