

## ***Curriculum Vitae***

**Name:** Fatima Aziz Mahdi

**Qualifications:**

PhD. (Biology), Faculty of Education for Pure Science, University of Thi-Qar, Iraq, 2016

MSc. (Biology), Faculty of Education for Pure Science, University of Thi-Qar, Iraq 2011

B.Sc. (Biology), Faculty of Education for Pure Science, University of Thi-Qar, Iraq 2005

**Specialisation:**

Histology

**Publications:**

1. Evaluation activity of *Matricaria chamomilla* flower aqueous extract on axing histopathological changes of laboratory female rats treated by lead acetate.
2. Positive role Of Camels Milk In Treatment Some Histopathological Changes of infection by giant liver worm *Fasciola gigantica* in Female Rats.
- 3-Effect of aqueous extract of Black Seed (*Nigella sativa*) in some Physiological and Immunological parameters and Histological Changes of male mice infected with *Entamoeba histolytica*.
- 4- Effect Of camels milk on some histological changes of kidney of female rats treated with cows livers infected by *Fasciola gigantica* .
- 5- Effect of camel's milk on some histological changes of testis and spleen of male rats treated with cow's livers infected by *Fasciola gigantica* .
- 6- Effect Of Camels Milk in Some Histological Changes to Kidney and Liver of Laboratory male Rats gulped by sweating Cows Livers Infected by *Fasciola gigantica* .
- 7- Effect Of camel's milk in body weight and some hematological parameters of female rats treated with cow's Livers infected by *Fasciola gigantica*.
- 8- Effect of Electromagnetic Radiations in Some Biochemical Parameters and Histopathological Changes for Laboratory Male Rats *Rattus norvegicus*.
- 9- Effect of Electromagnetic Radiations in Body Weight, Sperm Abnormalities and Histopathological Changes for Laboratory Male Rats *Rattus norvigicus*.
- 10- Effect of Aqueous Extract of *Rosmarinus officinalis* on Kidney and Liver of Male Rats Experimentally Infected with Diabetic.

11- Study of Physiological and Histological Changes in Male Rats (*Rattus norvegicus*) After Carbonated and Energy Beverages Drinking.

12- Assessment of Lipoprotein and Histopathological Changes of Male Rats *Rattus norvegicus* Treated with Formaldehyde.

13- Efficacy of Pomegranate Peel (*Punica granatum*) Extract on Gastric Ulceration Induced Experimental Rats.

14- Influence of Increasing Consuming of Whey Protein Supplement on Reproductive system in Rats.
