

Curriculum Vitae

- **Name:** Nadia Ahmed Hadi Mohammed al-Obeidy
- **Place and Date of Birth:** Basrah 26/2/1979
- **Workplace:** Teaching in the Department of Biology / College of Education for Pure Sciences / University of Thi- Qar.
- **Email:** nadyaahmed.bio@utq.edu.iq
- Marital status: Married with four children
- **Bachelor degree** from the College of Education Ibn Al-Haitham / University of Baghdad with a very good grade rate of 82% for the academic year 2000/2001
- **Date of the first appointment** in 1/9/2002 in the College of Education Ibn Al-Haitham / University of Baghdad, m. Biologist
- **I transferred** my services with the degree of functional and privatization to the College of Education for Pure Sciences University of Thi- Qar on 7/1/2007
- **Obtained a master's degree (M.Sc.)** in Biology specialization (immune parasites) with distinction of the Department of Life Sciences / College of Education for Pure Sciences / University of Thi Qar University Order No. 2638 dated 29/2/2012
- **I got the scientific title (assistant lecturer)** on 18/3/2012
- **Transferred** to the teaching staff on 19/3/2012
- **Received an educational qualification certificate** (teaching methods) from the University of Thi- Qar on 2/4/2013
- **I got the scientific title (Instructor)** according to the university order number 2825 on 1/3/2016
- **Holds a (PhD) degree** in Biology sciences specializing in **immunology parasitology** with a grade of excellence from the Department of Life Sciences / College of Education for Pure Sciences / University of Thi Qar according to the university order number 10585 on 5/8/2019

- Received a certificate of computer efficiency from the Department of Computer Science in the Faculty of Education for Pure Sciences on 7/8/2008
- Obtained a certificate of competence of computers for scientific promotions from the Faculty of Education for Pure Sciences / University of Thi- Qar administrative order No. 7/54/3609 on 5/12/2012
- Received a certificate of participation in the course on methods of scientific research and publishing established by the University of Thi Qar in cooperation with the Institute Shirad.
- Obtained a certificate of participation in the scientific course of embalming laboratory animals set up by the Department of Biology for the period 14-15 / 3/2018
- Received a certificate of participation in a workshop entitled (Antibiotics and how to use in everyday life), which was held by the Department of Biology on 18/11/2018
- Obtained a certificate of participation in the development course for the Arabic language and its safety for the purposes of the functional upgrade set up by the Center for Development and Continuing Education / University of Thi- Qar for the period 12-16 / 8/2018
- Received a certificate of appreciation to participate in the fourth scientific conference of the Faculty of Education for Pure Sciences / University of Thi -Qar, held in the period 27-28 / 3/2013

❖ **Thanks:**

- Received Three of Thanks from the Minister of Higher Education and Scientific Research
- Received six thanks and appreciation from the President of the University of Thi- Qar
- Received three thanks and appreciation from Mr. Dean of the Faculty of Education for Pure Sciences / University of Thi- Qar.

❖ **Committees and Assignments:**

- Member of the Inventory Committee of the Faculty of Education for Pure Sciences as per administrative order number 7/18/3032 on 25/11/2014
- Member of the Audit Committee to audit student card as per administrative order number 7/18/2138
- Member of the Examination Committee of the Department of Biology / Faculty of Education for Pure Sciences for the years 2014/2015 and 2015/2016
- Member of the Committee on the delivery of a grades card to the students of departments according to administrative order number 7/18/1570 on 17/5/2016
- Member of the Committee to write the improvement plan as per administrative order number 7/18/4841 dated 19/5/2019
- Responsible for the follow-up of graduate laboratories as per administrative order number 7/54/514 on 16/1/2019

❖ **Published Research:**

- I have a scientific research published in the Journal of Science / College of Science / University of Thi- Qar Volume 3 Issue 4 in 2013 (The Effect of Aqueous Extract of *Nigella sativa* on some physiological and immunological parameters and histological changes of male laboratory mice infected with the parasite *Entamoeba histolytica*).
- I have a scientific research published in the Journal of the Faculty of Science / University of Qadisiyah Volume 22 Issue 1 in 2017 (Seasonal Variations and their Effects on the Incidence of internal Parasites of the fish *Liza abu* in the province of Thi -Qar).

- Scientific research published in the Journal of the College of Education for Pure Sciences / University of Thi- Qar Volume 5 Issue 1 for the year 2015 (Study of the Relationship between the Proportion of Infection and Sex of the host in two species of water Birds *Fulica atra* and *Egretta garazetta* infected with Parasitic worms).
- Scientific research published in the Journal of the Faculty of Education for Pure Sciences Volume 7 Issue 1 of 2017 (Isolation and Diagnosis of Some types of Bacteria from Patients with Urinary Tract Infection and Determine their Resistance to Antibiotics).
- I have two scientific papers derived from the doctoral thesis published in the journal Scopus 2019 (Biochemical and Cellular Archievs).

❖ **Planned and completed research**

- Study of some Immunological Parameters on Patients Infected with *Sarcopets scaibies* Parasite in Thi-Qar province

Completion rate 80%

-

Study of some Epidemiological and Immunological parameters on Patients Infected with Acute Amoebiasis

Completion rate 100%
