

Curriculum Vitae
Assist. Prof. Dr. Zainab Abd Ali Mohammad

Name	Zainab Abd Ali Mohammad
The scientific degree	Assistant Professor
The work place	Thi-Qar University/College of Education for Pure science/ Department of Biology
The scientific filed	Biology/Parasitology
Mobile	07803747213
g.mail	zainababdali6@gmail.com zainababdali6@gmail.com
Address	Iraq. Thi-Qar province – Nassiriya district
Birth date	16 / 2 / 1981

The scientific data

Degree	Year	College	University	The Specialty
PhD.	13/5/2015	Education for pure science	Basra	Parasitology
M.sc.	24/8/2008	Education for pure science	Thi-Qar	Parasitology
B.sc.	2003	Education for pure science	Thi-Qar	Biology

The Scientific title

Assist professor	9/3/2015	College of the pure sciences education- Thi-Qar university
Lecturer	9/3/2011	College of education for pure science -Thi-Qar university
Assistant lecturer	9/3L2008	College of education for pure science – Thi-Qar university
Assistant researcher	7/6/2004	College of education for pure science – Thi-Qar university

The Scientific experience

Occupation	Work place	Period	
		From	To
Assistant researcher	College of the pure sciences education- Thi-Qar university	7/6/2004	9/3/2008
Lecture	College of the pure sciences education- Thi-Qar university	9/3/2008	Present

The researches

No	Title	Year	Publisher
1	Epidemiological study for some intestinal parasitic infection in patients of Al-Hussein teaching hospital in Nasiriya city	2010	Journal of Education for Pure Science- University of Thi-Qar
2	Parasitic, bacterial and fungal agents of diarrhea in patients attending Al-Zahraa health	2011	Journal of Thi-Qar Science

Curriculum Vitae
Assist. Prof. Dr. Zainab Abd Ali Mohammad

	center in Suq Al-Shuyukh district, Thi-Qar province		
3	Epidemiological study of communicable diseases in Thi-Qar governorate	2012	Journal of Thi-Qar university
4	Synthesis and biological activity of monocyclic Spiro Azetidine-2- one.	2012	Journal of Education for Pure Science- University of Thi-Qar
5	Statistical study for Influenza in Thi-Qar	2012	Journal of Education for Pure Science- University of Thi-Qar
6	New record and histopathological study of lice <i>Ciconiphilus decimfacious</i> (Boisduval and Lacordaire, 1835) infected <i>Egretta garazeta</i> in Thi-Qar governorate, Southof Iraq	2014	Basrah Journal of veterinary research
7	New record of Kidney trematode <i>Renicola</i> sp. in Squoacco Heron <i>Ardeola ralloides</i> , Cattle Egret <i>Bubulcus ibis</i> and White Pelican <i>Pelecanus onocrolalus</i> in Thi-Qar governorate Southern Iraq	2014	Journal of Basrah Researches ((Sciences))
8	New records of four chewing lice species related to family: Menoponidae (Mjoberg, 1910) infested some aquatic birds collected from Al-Sanf marsh, Southern Thi-Qar province, Iraq	2015	World Journal of Pharmaceutical Research
9	New record of chewing lice <i>Piagetiella titan</i> (Menoponidae: Mallophaga) Isolated from buccal cavity of White Pelican <i>Pelecanus onocrotalus</i> in Thi-Qar province-Southern Iraq	2015	Journal of Thi-Qar Science
10	New record of visceral and subcutaneous mites (Acari: Hypoderatidae) <i>Hypodectes propus</i> in Little Egret <i>Egretta garzetta</i> and Night Heron <i>Nycticorax nycticorax</i> in Thi-Qar governorate-South of Iraq	2016	Journal of Basrah Researches ((Sciences))
11	Chewing lice found on aquatic birds collected from some marshes of Thi-Qar governorate-South of Iraq	2015	Journal of Babylon University/Pure and Applied Sciences
12	Experimental infection of fresh water snail <i>Lymnaea auricularia</i> with <i>Clinostomum complanatum</i> (Trematoda: Clinostomidae)	2017	Journal of Education for Pure Science- University of Thi-Qar
13	Isolate and Identify of <i>Contracaecum</i> spp. Nematodes from Some Aquatic Bird Species by Using Light Microscope and Scanning Electron Microscope	2019	Journal of Education for Pure Science- University of Thi-Qar
14	Some Chewing lice (Phthiraptera) species as ectoparasites infested aquatic birds with a new record of three species from Al-Sanaf marsh/ Southern Iraq	Accepted for publication (Scopus)	Iraqi Journal of veterinary science

The scientific thesis under my supervision

No.	Title	Year
-----	-------	------

Curriculum Vitae
Assist. Prof. Dr. Zainab Abd Ali Mohammad

1	Morphological and molecular diagnostic study of <i>Contracaecum</i> species isolated from aquatic birds in Al-Sanaf marsh , Southern Thi-Qar province	2019
---	---	------

Subjects

PhD.	M.sc.	B.sc.
1-Zoonosis	1-Advance Parasitology 2-Zoonosis	1-Invertebrates 2- Insects 3- Practical parasitology 4- Practical invertebrates 5- Practical embryology 6- Zoonosis 7-Scientific research methodology

The Supervision and discussing

- 1-Supervision and discussing of committees: graduated project and M.sc. thesis.
- 2-Reviv many journal scientific research's , M.sc. and Ph.D thesis.

The Conferences

No.	The conference	Year	Place
1	Conference of the veterinary college – Basrah university	2014	The veterinary college- Basrah university
2	Conference of Sciences college – Karbala university	2014	College of science – Karbala university
3	The first international Scientific Conference on pure science –college of education - Qadisiyah university	2019	College of education – Al-Qadisiyah university
4	The First international scientific conference of Al-Ayen university	2019	Al-Ayen university
5	The fourth Scientific conference of college of science – Thi-Qar university	2019	College of science – Thi-Qar university
9	Participation in more than 15 scientific symposiums as Lecturer or attendance		
10	Presenting many Scientific lectures		
11	Presenting awareness lectures to students, Lecturing at the center of continuous education.
